

COMMEMORATIVE BRICK PROGRAM

Your experiences of Westmont have been unique. As residents or former residents, we all come from different walks of life. We are a diverse family bound by our love and respect for our hometown. Westmont has enriched our lives and the lives of those around us. As we move through life, Westmont will always remain a part of each of us.

We'd like to offer a way for those who treasure their time in Westmont to leave a legacy, not just a symbol of your time spent in Westmont.

Whether you choose to add your own name or to honor the memory of a loved one, or pay tribute to a close friend or relative, our commemorative brick program will grow, one brick at a time. And when it is complete, it will remember these special people forever.
